

TERMS OF USE

Addressees

This website is an international information resource from our Corporate Headquarters in Ingelheim, Germany and is intended to provide information about our global business. Please be aware that information relating to the approval status and labels of approved products may vary from country to country, and country-specific information may be available in the countries where we do business.

Use of Content

All content on this site is the property of the Boehringer Ingelheim group of companies and is protected by copyright. Permission to use documents (such as white papers, news releases, datasheets and FAQs) from this website is granted, provided that (1) this notice appears in all copies and that, in particular, both the copyright notice and this permission notice appear, (2) use of such documents from this site is for informational, media and non-commercial or personal use only and the documents will not be copied or posted on any network computer or broadcast in commercial media, and (3) no modifications of any documents are made. Use for any other purpose is expressly prohibited, and may result in severe civil and criminal penalties. Violations will be prosecuted.

Permission given above does not include the use of the design or layout of the boehringer-ingelheim.com website or any other site owned, operated, licensed or controlled by one of the companies of the Boehringer Ingelheim group. Elements of these websites are protected by copyright, trade dress, trademark, unfair competition, and other laws and may not be copied or imitated in whole or in part. No trademark, trade dress, logo, graphic, sound or image from any Boehringer Ingelheim website may be copied or retransmitted unless expressly permitted by the specific Boehringer Ingelheim company owning these rights.

Any rights not expressly granted herein are reserved.

Trademark notice

The tradenames of Boehringer Ingelheim products referenced herein, whether or not appearing in bold characters or with the trademark symbol ®, are trademarks of entities of the Boehringer Ingelheim group of companies. The names of actual companies and products mentioned herein may be the trademarks of their respective owners. The use of these trademarks, of the company name Boehringer Ingelheim and the company logo, except as permitted herein, is expressly prohibited and may be in violation of criminal law. The products discussed herein may have different tradenames, different labelling, product presentation and strength in different countries. Please contact our local affiliate in case clarification is requested.

Notices regarding software, documents and services available on this website

In no event shall the Boehringer Ingelheim group of companies and/or its respective suppliers be liable for any special, indirect or consequential damages or any damages whatsoever resulting from loss of use, data or profits, whether in an action of contract, negligence or other tortious action, arising out of or in connection with the use or performance of software, documents, provision of or failure to provide services, or information available from this site.

Links to third party sites

Some links in this area will let you leave Boehringer Ingelheim's site and visit external websites. If not indicated otherwise in the imprint of the external website, the linked sites are not under the control of the Boehringer Ingelheim corporation and no entity of the Boehringer Ingelheim group of companies is responsible for the contents of such linked site or any link contained in such linked site, or any changes or updates to such sites. Neither is any entity of the Boehringer Ingelheim group of companies responsible for webcasting or any other form of transmission received from any linked site. These links are provided to you only as a convenience, and the inclusion of any link does not imply endorsement by the Boehringer Ingelheim group of companies of the site.

Queries and Feedback

Queries and other feedback addressed to Boehringer Ingelheim through this website should not contain questions on personal health matters or on specific prescription-only products but should be addressed to a health care professional. Should any user of these documents respond with information including feedback data, such as questions, comments, suggestions, or the like regarding the content of such documents, such information shall be deemed to be non-confidential and the Boehringer Ingelheim group of companies shall have no obligation of any kind with respect to such information and shall be free to reproduce, use, disclose, and distribute – however, where required by applicable privacy legislation, only in anonymized form – this information to others without limitation.

RSS newsfeeds

The use of the Boehringer Ingelheim RSS newsfeeds is subject to these Terms of Use. Boehringer Ingelheim reserves the right to discontinue this service at any time.
